CLERGY HONOREES

ON THE FRONT LINES IN OUR HOSPITALS

Hospital Chaplains

The 25th Annual Bishop DiMarzio Golf Classic will honor the work and spiritual support of the Diocese of Brooklyn's Hospital Chaplains.

Chaplains like Fr. Francis (pictured) have been providing front line support to thousands of suffering families and connecting them to their loved ones during this crisis in the hospitals and care facilities throughout Brooklyn and Queens. We honor them for this vital ministry and their personal courage to risk their health to provide suffering families with comfort and support, and to give the sacraments of Anointing of the Sick and Last Rites to their loved ones.
