Prayer from St. Francis de Sales

*Do not look forward in fear to the changes and chances of this life;
Rather, look to them with full confidence that, as they arise,
God, to whom you belong, will in His love enable you to profit by them.
He has guided you thus far in life,
and He will lead you safely through all trials;
and when you cannot stand it,
God will carry you in His arms.*

*Do not fear what may happen tomorrow;
the same everlasting Father
who cares for you today
will take care of you then and every day.
He will either shield you from suffering,
or will give you unfailing strength to bear it.
Be at peace, then, and put aside
all anxious thoughts and imaginations.*

Amen.

New Findings: Segmentation

Five segments were identified using self-perceived strength and desired growth across a number of areas: discipleship, interior fruits of faith, interior life, sacramental life, and expressive fruits of faith

Respondent Segmentation

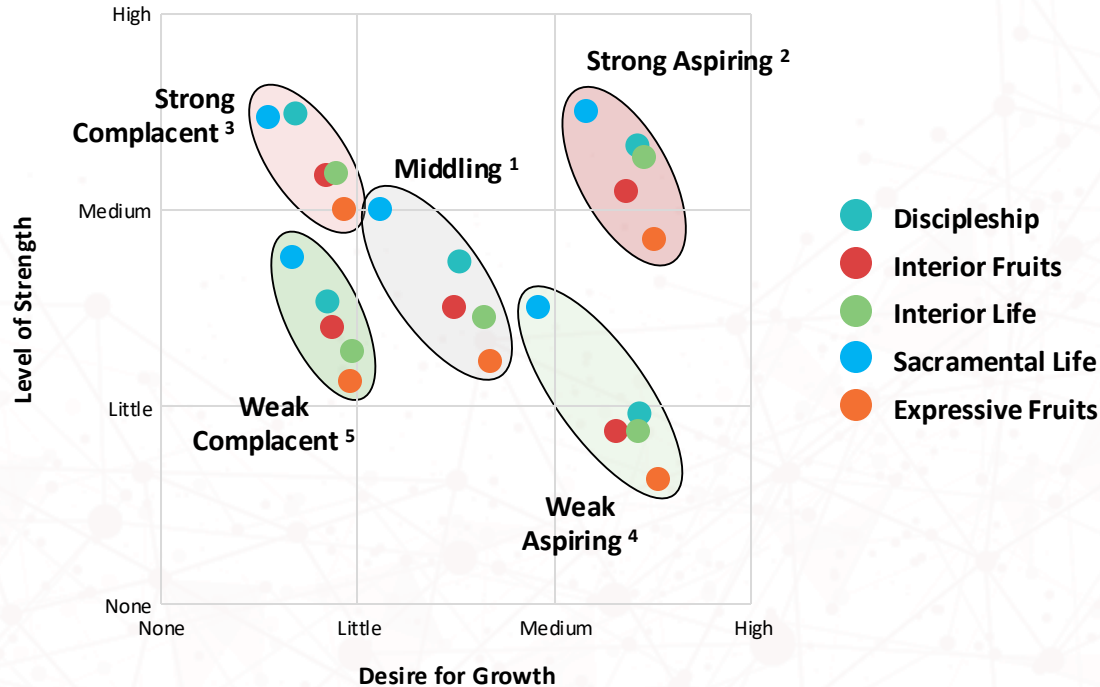

n=3137

A5: Understanding that there is always room for growth, how strong do you feel you are in each of the areas below?
 A6: Please indicate how much growth you would like to see for yourself in each of the areas below?

All segments are strongest with sacramental life and weakest with expressive fruits.

Categories of Strength and Growth

Strength and Growth

These 5 categories of items were presented to respondents, who were asked to rate each item on **level of strength** and **amount of need for growth**:

Discipleship

Interior Fruits

Interior Life

Sacramental Life

Expressive Fruits

Many felt they needed to grow in witnessing and sharing their faith with others. They also noted some shortcomings in putting the concerns of others first.

Strength and Growth: Discipleship

	Level of Strength				Need for Growth			
	None	Little	Medium	High	None	Little	Medium	High
Actively witnessing and sharing my faith with others	17%	35%	31%	16%	10%	34%	34%	22%

	Level of Strength	Need for Growth
None	<i>"Not an area of strength"</i>	<i>"I do not need growth here"</i>
Little	<i>"I am doing okay in this area"</i>	<i>"I need a little bit of growth"</i>
Medium	<i>"This is an area of strength"</i>	<i>"I need a moderate amount of growth"</i>
High	<i>"This is an area of great strength"</i>	<i>"I need a great deal of growth"</i>

n=3137

Among the interior fruits, humility was seen as important area for growth. Many also noted they could do better avoiding the near occasions of sin.

Faith Impact on Decision-Making in Various Settings

n=3137

Catholics in this sample are comfortable sharing their faith, but there is significant room for improvement.

Faith-Sharing Comfort Level

n=3137

Respondents are split between those who do and those who do not consider themselves proactive at bringing up their faith with others.

Faith-Sharing Proactivity

Hispanic respondents are slightly more likely to select “Extremely proactive” or “Moderately proactive” than non-Hispanic respondents (66% vs 51%)

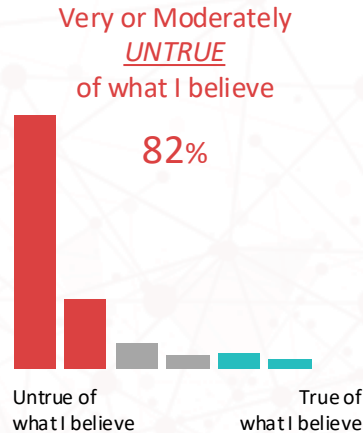

There are no significant differences when looking at age generationally

n=3137

These Catholics know they should share the faith and are largely comfortable doing so. But most feel lacking in some skills.

Faith-Sharing Beliefs

“Religion should be kept private”

“If I live my faith as a good example, it is not necessary to proclaim my faith with words”

“I am comfortable sharing my faith with others”

“I feel like I am lacking certain faith-sharing skills and hope to get better at sharing my faith with others”
